Dear Perspective Partner,

It is with a great honor that I bring this opportunity for you to be a part of the infamous Teepee Creek Stampede. The quality of the show and size of our crowd have both experienced exponential growth over the last 5 years and we are proud to say that in 2010, we had more than 11,000 people pass through our gates across 2 Pro Rodeo Performances and 4 Nightly runs of Chuckwagon Races. This is an event that has been going strong for 94 years! We are proud that our entire committee is comprised of dedicated volunteers and community groups. All proceeds from this event go back into the Teepee Creek Community.

The 95th Annual Teepee Creek Stampede will be held **July 14-17, 2011**. We will be running 4 nights of intense Chuckwagon Racing again this year featuring the Western Chuckwagon Association and the Taste the Dust Tour pony wagons. The Pro Rodeo has proven very successful and draws contestants and spectators from all over the country. This is an important stop for contestants as they travel the PRO Rodeo circuit.

This is your chance to showcase your business through sponsorship activities, advertising in our full-color program, on our website, and marketing. Last year, the addition of a 10x14 **VIDEOBOARD** was a huge success for fans, contestants, and of course, our sponsors. There is the potential for your business to be showcased in full-color video commercials with sound. Don't forget to allow some time for being entertained as well! With 2 nights of music and a Sponsor Appreciation supper, our stampede has become known for maintaining a professional event while ensuring that everyone involved has a story to tell about the fun they had!

We have a variety of sponsorship level packages for you to choose from. Each package outlines the sponsorship benefits that would be included for each level. Please feel free to contact any member of our committee or Corry Stark, Sponsorship Coordinator, if you have any questions. We look forward to having you be a part of

## 4 Days in the Wild

Teepee Creek Stampede Committee
